2014 RomCon Readers' Crown Winner!

Ha'ven Ha'darra is Prince of the Curizans, a species known for their technology. Their magical powers are a well-kept secret. Not even his best friends are aware of what he can do.

Emma has withdrawn from the world and wants nothing more than to fade into a peaceful death. After she was rescued by aliens, she was healed of her physical wounds, but they could not touch the ones deep inside her. Ha'ven annoyingly ignites her temper, bringing her fully into the moment with his impossible claims that her magic reached out to merge with his, that they belong together....

Internationally acclaimed S.E. Smith presents a new action-packed story full of romance and adventure. Brimming with her signature humor, vivid landscapes, and beloved characters, this book is sure to be another fan favorite!
