Familiefaderen Magnus Kjellner er spurøst forsvundet. Tilbage i Fjällbacka har han efterladt sig kone og to børn. På trods af at Patrik Hedström og hans kollegaer har gjort alt for at finde Magnus, ved ingen, om han er død eller levende.

Efter tre måneder finder de ham, myrdet og fastfrossen i søen. Fundet kompliceres yderligere, da Erica opsnapper, at hendes forfatterkollega Christian Thydell modtager anonyme hadebreve. Er der en sammenhæng mellem mordet og trusselsbrevene?

Christian står midt i at udgive sin debutroman og har nok om ørerne med at give interviews og holde sammen på familien. Han slår det hen, forsøger at bagatellisere omstændighederne på trods af Ericas bekymring og velmenende råd. Det viser sig at være en stor fejl.

Sjette bog i successerien om Patrik og Erica.
