A Hearts Entwined Novel

An accident crushed Duncan's Olympic dreams and landed him in a chair, but he knows it's time to get his life back on track—and he has a plan in mind. Working with his friend Todd, an Olympic skeleton racer, on a promotional campaign will not only help Duncan regain some direction, but it'll give Todd the financial boost he desperately needs. The sport Todd loves is draining his resources—so much so that he's thinking of giving up racing just to make ends meet.

As the two men work together, their friendship blossoms into much more, and suddenly the future is looking brighter than it has in a long time. But just when love, happiness, and success seem within their grasp, the USOC steps in with plans to stop their campaign. That'll mean an end not just to Duncan's business, but to Todd's dreams... and Duncan isn't about to let that happen to the man who means everything to him.
