DA FIREÅRIGE LINNEA FORSVINDER ved en gård lige uden for Fjällbacka, vækker det tragiske minder til live. Tredive år tidligere forsvandt en lille pige fra præcis samme sted, nu frygter hele byen, at historien er ved at gentage sig.

Lillebyens indbyggere engagerer sig i eftersøgningen, men da Linnea bliver fundet, breder angsten sig blandt beboerne. Kan flere piger være i fare? Og er der en sammenhæng mellem det, der skete dengang, og nu?

Selvom Patrik Hedström og kollegaerne fra Tanumshede politistation er bange for, at det er et langskud, forsøger de at finde en forbindelse mellem de to sager. Og de får hjælp af Erica Falck, der er ved at skrive en bog om den gamle mordsag.

Det bliver en efterforskning, der river op i gamle sår og viser sig at få fatale følger.
