Discovering her boyfriend in a foursome she wasn't invited to while on a photo shoot in Alaska is one thing, but having him call her a boring prude is enough to send devastated model, Summer Coleman, out into the cold, snowy, Alaskan wilderness wearing nothing beneath her coat but a skimpy negligee and G-string. She runs straight into a cage meant to trap wild animals.

She tries not to panic. The trappers will see their mistake and free her. Instead, they see an opportunity. A pet. Panic sets in. Just when she thinks it can't get any more bizarre, a gorgeous, hunky, blue-eyed newcomer strolls by. Looking at her in awe, he decides she is the answer to a prayer. He and the trapper barter over her like she's a prized trophy. He rescues her from one captor, only to put her into the hands of two others.

She's the angel all three have been waiting for. The men don't hesitate to make a party of three when it comes to disciplining her thoroughly anytime she deserves it, but their touch also ignites her submission and her heart.

Can this city girl live happily off-the-grid with her Alaskan men for the rest of her life and be their wife? Or will she run at the first chance she gets?

Publisher's Note: If you are looking for a steamy ménage a trois, explicitly described scenes of domestic discipline with a bit of anal play thrown in for good measure, then this is the story for you!
