Two daddies are better than one...

I'm caught between two dominant daddies--best friends who compete at everything. Both Bear and Sawyer have muscles for days but they want to know who's better in bed. And they want *me* to judge.

Their game, their rules, but I can play along. They call the shots, in and out of bed, and disobedience has delicious consequences.

As the final round approaches and the stakes are raised, I'm hoping this isn't just a game.

I'm falling, fast, and I don't think I can choose.

They're both playing to win. But are they willing to share?

Me *and* my heart.
