SHE STOLE MY SHIP. SHE'LL HAVE TO PAY.

The escaped human slave stole my ship and left me stranded on an abandoned planet.

But her sister is mate to the prince of my species, which makes me even more determined to find her and punish her thoroughly for her crimes. Especially because I know Prince Zander will pay well for her when I'm done.

But the little human is impossible to resist. Punishment becomes exquisite pleasure as I teach her to submit. If only I can keep her from trying to escape....

Devour the steamy stand-alone sequel to His Human Slave in USA Today Bestselling Author Renee Rose's Zandian Masters series.
