If you've never saddled up with a few Vanessa Vale cowboys, now is your chance! Welcome to Steele Ranch, where the men are hot, dominant and know what they want.

One unexpected encounter brings Sarah Gandry face to face with the two men she loves. Yes, two. Wilder and King have been the basis for every one of her fantasies for as long as she can remember. But they'd been just that...fantasies. Until now.

Now, the three of them get to make things right. To finally be together. But nothing's ever simple and the secrets she's held could tear them apart.

In book four of the Steele Ranch series, the wild west just got Wilder...and King.
