Nobody knows speed like Ida Belle.

Behind the wheel of her hopped-up Blazer, she's the queen of the back roads. But when someone tries to kill Hot Rod and steals only black SUVs from his shop, Fortune worries that excessive horsepower is the least of the trouble that comes along with her friend's new ride. When it becomes clear that the car thieves didn't get what they were looking for the first time around and Ida Belle's vehicle becomes their next target, Fortune and Gertie are determined to protect their friend.

Ida Belle is determined to protect the Blazer.
