Agenten Jay Dobyns gik undercover hos Hells Angels i forsøget på at bringe dem til fald. Følg hans oplevelser i denne spændende fortælling fra rockernes rå verden.

Jack voksede op i en helt almindelig familie, havde sunde interesser og var ganske dygtig til at spille amerikansk fodbold. Der var intet i hans baggrund, som tydede på, at han en dag skulle sidde kronraget og muskuløs med tatoveringer over det meste af kroppen, overskrævs på sin mægtige Harley Davidson iført en vest med et af de mest frygtede rygmærker i den vestlige verden: Hells Angels grinende kranie.

Jay Anthony Dobyns (f. 1961) er undercover agent for Bureau of Alcohol, tobacco, firearms and explosives (ATF). Fra 2001 til 2003 infiltrerede han Hells Angels efter at have fingeret mordet på et medlem af en rivaliserende rockerbande
