But they're from two different worlds. Not only is she innocent, she's out of his league. He should keep his distance, but he can't. Not when someone wants her dead. Now he's driven to protect her, to keep her safe.

**What happens when she discovers who he really is?**

She just never imagined that she might be targeted because of her family. And she definitely never imagined she would fall for the one man she should never want. A man who kills for a living. A man who's obsessed with her. A man who will do anything to protect her from the danger lurking in the shadows.
