Irish

I thought I met the love of my life when I was in high school. Certain circumstances occur and I end up losing the love of a great woman and my best friend. Now, I find myself a single father to a little girl. I have no clue what I'm going to do, but I have the rest of my family, the Wild Kings MC, to help me figure everything out.

We're starting new ventures as a club because of things that have happened to some of the women belonging to my brothers. To help get my mind off of things, I volunteer to stand guard and watch over a woman and her teenage daughter. I just don't know if I'm biting off more than I can chew with her. She challenges and pushes me to do more than I think I can.

Whitney

I've been on the run for so long with my daughter, Sami, that I don't know how I'm supposed to settle in one spot for any length of time. My life took a drastic change when I turned fourteen. Certain parts, I wouldn't change for anything in the world. However, the repeated beatings and living my life scared to death of every move I make are things I can live without.

Running into a woman in a small town changes my life in ways I've never imagined. Sami is my entire world. I've pretty much raised her on my own since she was born and now I meet someone that is raising the cutest little girl all alone. In ways, we both need help and we're both fighting accepting the help from one another.

Will Whitney's past come back to haunt her?

Can Irish let go and move on to discover love again?

Or, will challenges they face seem too hard to overcome?
