Written for anyone struggling with 'getting it all done', *Juggling Elephants* is a parable about one man's experience with the circus. While watching the performance, Mark chooses to become the 'ringmaster' of his own life and applies his insights to the different parts of his personal and professional life, with remarkable results.

If, like Mark, you want to be more productive and less stressed then stop juggling elephants and discover how to: Take action based on purpose Focus your time and energy to achieve personal and professional success Engage the energy of others to accomplish goals and work as a team.

With this book you will see how to engage in the right task at the right time for the right purpose. It is your guidebook for creating the performance of *your* lifetime.
