-Hooks & Books Blog

Synopsis

Politics, phallic statues, and pretty women.

Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms.

Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political

magazine around the US. Women everywhere wanted a taste of that power.

Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting.
