Ny Kepler-krimi!

Joona Linna har tilbragt to år i et højsikret fængsel, da han bliver ført væk for at deltage i et hemmeligt møde. Politiet har brug for hans hjælp til at stoppe en gådefuld morder, der kaldes Kaninjægeren. Den eneste sammenhæng mellem hans ofre er, at de alle hører et barn sige et rim om kaniner, inden morderen kommer.

Tilfældigt havner tv-kokken Rex Müller midt i begivenhedernes centrum. For første gang skal han være alene med sin søn, men i stedet for tre afslappende uger bliver det en skræmmende kamp for overlevelse.

Joona Linna og Saga Bauer er tvunget til at arbejde sammen i hemmelighed for at få stoppet Kaninjægeren, før det er for sent.
