**To live through the zombie apocalypse they have to survive each other first.**

College freshman Parker Osborne is having the worst day ever. He humiliated himself trying to pick up a cute guy, he hasn't made any friends at school, and his stupidly hot jerk of a TA gave him a crappy grade on his paper. He's going to drop Adam Hawkins' film class and start fresh tomorrow after he's had a good sulk.

But Parker's about to find out what a bad day really looks like—if he can survive the night.

A virus is unleashed, transforming infected people into zombie-like killers. After these quick and deadly creepers swarm campus, Parker only escapes thanks to Adam swooping him onto the back of his trusty motorcycle. Now they're on the run—and stuck with each other.

When they're not bickering, they're fighting off the infected in a bloody battle for survival. Their only hope is to head east to Parker's family, but orphaned Adam has a secret he's not sure Parker will accept: he's a werewolf. Can they trust each other enough to find some light in these dark days?

This gay romance from Keira Andrews features enemies to lovers, a really stressful road trip, two young men finding love in the zombie apocalypse, and of course a happy ending. Book one in the *Kick at the Darkness* m/m shifter romance series.
