When Vicky becomes the target of a serial arsonist plaguing the city, Darien calls on the supernatural community to help. Pulling the creatures of the night together to cooperate on any project is troublesome at the best of times. The fact that the one responsible for the city's woes is a being of fire and magic leads the reluctant groups to a truce that makes Vicky start to think that her job might be a bit more than one normal human can handle.

Kindling Flames: Flying Sparks is the second book in a paranormal romance series that should not be passed up. Dive into a series filled with sexy vampires, werewolves, shifters, Fae folk, and more. Science fiction and urban fantasy romance lovers unite because this series has seven exciting books that readers have compared to A Shade of Vampire Series by Bella Forest and the Immortals After Dark Series by Kresley Cole.
