Is there such a thing as a normal life when you live with an ancient vampire and a temperamental hellhound?

Victoria Westernly was just starting to think so. With Samhain just around the corner and the promise of a Halloween Ball, her life was looking good. Even the addition of a new master vampire couldn't bring her down.

When Victoria and Darien become the victims of a series of unfortunate accidents, they know something's up. Where there's smoke, there's fire. But, the question is... who is burning what?

Kindling Flames: Smoke Rising is the third book in a paranormal romance series that should not be passed up. Dive into a series filled with sexy vampires, werewolves, shifters, Fae folk, and more. Science fiction and urban fantasy romance lovers unite because this series has seven exciting books that readers have compared to the Sookie Stackhouse

Novels (True Blood) and The Black Dagger Brotherhood.
