Ryan Haskell loves everything about the wine business. He's fortunate to work at one of the most prestigious wineries in Napa Valley doing something he enjoys with the people who are like family to him. But he could do without the good-natured intern slash former jock with the wicked grin who always seems to be in the way. Ryan isn't sure why the new guy is under his skin when everyone else loves him. Thankfully he'll be gone after the holidays.

Danny Meyers can't believe his luck when he lands an internship at Conrad Winery. It's the perfect temporary gig to wrap up his graduate studies. He's left his dreams of tennis stardom on the court to focus on a new career and a new life. However, he didn't count on the spark of attraction he feels for his prickly co-worker. When their tentative friendship blossoms into something more than either man counted on, they may have to change direction and lean into a holiday wish.
