Montana has become everything Arianna Dubray never wanted it be. Home. Now, with every part of her Boston life behind her, she has all she needs to watch her future unfold in her little country life: her sister, Shelby, and the man that captured her heart and never let go, Canyon Michaels.

But Canyon was sure Arianna was never coming back, and in the midst of his excitement, he doesn't reveal the one thing that could shatter his dreams of being with her for the rest of his life.

When every secret comes to light, the only thing left to do is to leave their love in fate's hands.
