*A woman in danger.
A man with a dangerous past.
And a marriage that he will kill for...*

After leaving my abusive bastard of a boyfriend, I'm hiding on an island off the coast of Maine. A slip on the rocks and the one local man I've been warned to stay away from, Riker, is the one who saves my life.

Riker is ex-military, brooding, intense, and is rumored to be an assassin. He is also now the only one who knows I am pregnant.

Riker will do anything to protect me. I will do anything to protect my baby. Even if that means marrying Riker.

But who will protect me when I fall in love with him?
