'One of the great business books of all time' *Punch*

'Wickedly funny' *Daily Express*

'Hilarious' *New York Times*

The original classic that revealed the truth about ambition, greed and excess in London and Wall Street, by Michael Lewis, the number 1 bestselling author of *The Big Short* and *The Undoing Project*.

From mere trainee to lowly geek, to triumphal Big Swinging Dick: that was Michael Lewis' pell-mell progress through the dealing rooms of Salomon Brothers in New York and London during the heady mid-1980s when they were probably the world's most powerful and profitable merchant bank.

Funny, frightening, breathless and heartless, *Liar's Poker* is the original story of hysterical greed and excessive ambition, one that is now more potent and enthralling than ever.
