Journalist Heloise Kaldan står midt i et mareridt: Hendes kilde er blevet afsløret i en løgn, og avisen står på gloende pæle. Det gør Heloises privatliv også. Midt i det hele modtager hun mystiske breve fra Anna Kiel, der i tre år har været eftersøgt for drabet på en ung advokat.

Både den egenrådige politimand Erik Schäfer og Heloise selv begynder at grave i den gamle sag, da der sker endnu et drab. Har Anna Kiel slået til igen, eller er der mere end én morder? Hvorfor leder alle spor i sagen pludselig til Heloise? Er hendes eget liv i fare?

"Ligblomsten" er en stærk krimi om hævn, retfærdighed og tilgivelse.

Første bog i spændende ny krimiserie skrevet af Anne Mette Hancock.
