A Being(s) in Love Story

On the run from his old-blood werewolf family, Tim Dirus finds himself in Wolf's Paw, one of the last surviving refuges from the days when werewolves were hunted by humans and one of the last places Tim wants to be. Kept away from other wolves by his uncle, Tim knows almost nothing about his own kind except that alpha werewolves only want to control and dominate a scrawny wolf like him.

Tim isn't in Wolf's Paw an hour before he draws the attention of Sheriff Nathaniel Neri, the alphaest alpha in a town full of alphas. Powerful, intimidating, and the most beautiful wolf Tim has ever seen, Nathaniel makes Tim feel safe for reasons Tim doesn't understand. For five years he's lived on the run, in fear of his family and other wolves. Everything about Wolf's Paw is contrary to what he thought he knew, and he is terrified. Fearing his mate will run, Sheriff Nathaniel must calm his little wolf and show him he's more than a match for

this big, bad alpha.
