Syv af Danmarks mest populære og bedst sælgende krimi- og spændingsforfattere har skrevet nervepirrende historier til samlingen Liv for liv. Forfatterne har fået frie hænder i skriveprocessen, og det har givet seks meget forskellige spændingshistorier om blandt andet terror i en lufthavn, koldblodig hævn og kidnapning. Nogle af forfatterne har valgt at følge op på de allerede eksisterende persongallerier fra deres spændingsserier, mens andre har besluttet sig for at skrive helt nyt. Fælles for historierne er naturligvis, at de har et spændingsplot. Det, der i øvrigt gør samlingen unik, er, at såvel forfattere som forhandlere og forlag har valgt at donere en del overskuddet fra salget af bogen til Dansk Flygtningehjælp.
