Prepare yourself for one of Lucia Jordan's most daring series yet!

Here, presented in one volume, are the four stories that comprise the 'Lust' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions of sex and emotion.

Back in high school Claire and Brent used to joke that if they were not married to other people by the time they were thirty they would marry each other. Brent remembers his friend as the geeky, glasses wearing redhead, who was always a little too tall and skinny, and Claire remembers Brent as the shy guy with the nice smile and the gentlemanly manners. Neither of them is ready for the fact that Claire is a gorgeous, willowy beauty and Brent is a strapping virile man with a thick shock

of blonde hair and a heart stopping, panty dropping smile. What begins with a blindfold develops into a deep exploration that leads far beyond friendship and their previous limits.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
