A hot and hilarious standalone romance! F*&k Prince Charming. Sometimes, you need a Magnificent Bastard.

Face it, ladies: love sucks and then you cry...while your ex rides off into the sunset banging your best friend.

But why let a break-up end in tears when it can end with sweet revenge? Enter Magnificent Bastard Consulting and me, chief executive bastard. I've got it all—looks, brains, a heart of gold, and the killer instinct guaran-damn-teed to make your ex regret the day he said goodbye.

With the help of my virtual assistant, I've built an empire giving broken-hearted women the vengeance they deserve, while keeping myself far from the front lines of the heart. Life is a bowl of cherries, until my *virtual* assistant shows up on my *real* doorstep for the first time, begging for a Magnificent Bastard intervention of her own.

Damn... She's a bona fide sex kitten.

I pride myself on being a true pro, but pretending to be her lover soon leads to giving it to her good, hard, fast, and up against the wall. And somewhere between getting balls deep in my sweet and sexy assistant and watching her ex beg for a second chance, I break every last one of my damn rules—professional *and* personal.

So what's my next move? Fight for the girl who makes me want to get up on a white horse and ride to her rescue, or stay a Magnificent Bastard to the end?

Warning: MAGNIFICENT BASTARD is a stand-alone erotic romance told from the hero's point of view. No cliffhanger. Lots of dirty talk.
