Six years with my knight in shining armor.

Four years with my knight in dented armor.

Two years with my knight in rusted armor.

It is time to make a change. Time to find myself, even if it scares the hell out of me.

I, Makenzie Mayfair, am leaving my husband.

This is my chance to begin again, to rip my backbone out and yell, "I've found it." It may take time, it may take new friends, a job and even a jerk of a boss who is annoyingly handsome, but I will get there.

I'm determined to be who I want to be, and plan to have a whole heap of fun along the way.
