Every time March McIntyre runs into Beau Harris, the sexiest and most eligible bachelor in all of Nashville, it's like he's an entirely different person.

When March stumbles upon his secret, she realizes that not only could it expose the insanely sexy music icon for who he really is, it could also rock the entire world of country music to its core.

Or... Maybe it could be her ticket to stardom instead.

Gifted with a velvet voice that could make her the next queen of country music, March quickly learns that talent just isn't enough. Especially when her gift also comes with the curse of crippling stage fright.

Inside the world of superstardom, where having it all is the ultimate grand prize but being chewed up and spit out is the norm, what will she have to sacrifice to become a star?

And what's the one thing people love more than watching stars rise?

Watching them crash and burn.

'March Of The Cowboys' is another hot MFM stand-alone romance in the same shared world as 'Claimed By The Cowboys,' 'Ménage A Cowboy,' 'Cowboys In January' and 'Val-Entwined Cowboys.' As usual, it's all about one lucky woman finding her HEA between two sexy-as-sin cowboys, with no M/M, NO CLIFFHANGER and NO CHEATING.□

Bonus Samples of both 'April's Fool Cowboys' and 'Ménage A Cowboy' are added to the end of this novel.
