Queen Silth rules Castle Marl from behind the curtains of her palanquin. Greedy and vain, she has sent her six children into the world to plunder treasure. Stealth and cunning are the traits of the Marlfox. Known only in Redwall country by legend, they are said to be able to appear and disappear by magic.

When the strange creatures begin to appear in Mossflower Woods, it is clear that evil is abroad. A kidnapping and a cunning raid to steal the beautiful Redwall tapestry confirm the worst; Redwall is under threat! Three young friends, fated by the prophecy of Martin the Warrior, pursue the villains in a quest of daring, courage and wit to return the beloved tapestry to its home.
