"I will do anything to make her *MINE*." —Remington Tate

In the international bestseller *Real*, the unstoppable bad boy of the Underground fighting circuit finally met his match. Hired to keep him in prime condition, Brooke Dumas unleashed a primal desire in Remington "Remy" Tate as vital as the air he breathes...and now he can't live without her.

Brooke never imagined she would end up with the man who is every woman's dream, but not all dreams end happily ever after, and just when Remington needs her the most, Brooke makes a discovery that forces her away from the ringside. Now with distance and darkness between them, the only thing left is to fight for the love of the man she calls *Mine*.
