Luca di Medici, Italy's number one racecar driver, is set to inherit his father's billion dollar automotive empire. Women would donate their left kidney just to spend a night of debauchery with the infamous rogue. Sounds like the perfect life, doesn't it?

It could've been, if I hadn't stumbled upon her some months ago.

Two weeks.

Fourteen days.

From dusk until dawn, she was with me, in my arms, in my mind, and in my heart
She wanted commitment, but I wasn't ready.

She told me she understood, and I thought she did, until I heard she was married a month later.

For me to say I felt betrayed would be an understatement. I wanted revenge, to hurt her and make her pay.

And I was going to get it, one way or the other.

Hell hath no fury like an Italian man spurned.
