After my last cheating ex, I've sworn off men. Until Lewis comes along and steals my breath and my good sense.

I've never been one to lust after guys. My mother's revolving door of relationships doused any propensity I might have had long ago. But Lewis is six and a half feet of rugged mountain man, and he's...eye-catching. Sexy. Silently brooding in all the best ways.

The more time I spend with him, the more naughty thoughts I have of us together, and he's not helping put a stop to it. It's infuriating.

I'm fantasizing and lusting, and I can't remember why I wanted to stay away.

It turns out, Lewis might be the one man I can't resist.

But he carries his own relationship baggage. Baggage that could break me in ways no ex-boyfriend ever did.

This hot, romantic comedy will have you intermittently fanning yourself and laughing at Lewis's sexy approach at convincing Gen they're right for each other. Grab Mountain Man now!

EXCERPT:

He tugs down his shorts—and goes completely naked.

“Um?”

He glances up. “You can stay in your panties. I'm getting clean... What? I trust you not to grope me.” He grins.

“Hot, funny, infuriating and omg where can I get one please...” ~ Reviewer
