Hank Smith saved my life, carrying me through a blizzard to his mountain cabin. He doesn't like strangers, and he doesn't like leaving his sanctuary. Now I'm trapped here with him until the snow melts.

I see him looking at me. He tries to hide behind a gruff exterior, but I see the longing and the heat burning in his eyes. I know he wants me, and I can't resist him. I want to feel those big, rough hands all over my body.

But once he's unleashed his raw, barely tried desire on me, will I be able to leave my mountain man behind, or will he make me his?

Warning: The Smith Brothers are not just identical twins, they're big, burly, bearded, insanely hot mountain men. They're also sweet, and very, very dirty. Did I mention dirty?
