HDTV meets Hollywood in this hot and hilarious romantic comedy from USA Today bestselling author, Lila Monroe!

Sexy TV star Luke Rafferty is Hollywood's newest bad boy... at least, according to the tabloids. He's been steaming up the screens as Dr. Casanova for ten years, but thanks to his ex-wife, some tricky contract negotiations, and that incident with the stethoscope (don't ask), he's suddenly on an extended vacation - with his heartthrob career on the line.

Enter Stella Hartwick.

A Hamptons local, she's trying to get her home renovation company off the ground; winning the job for Luke's new beachfront retreat would be her big break. And when she just *happens* to overhear his agent suggesting a fake relationship to give his reputation a swoon-worthy makeover, Stella sees the perfect solution to both their problems.

What's a little fake smooching between friend(ly professionals)?

Stella is determined to keep her eyes on the prize renovation and her hands OFF the hunky actor wandering shirtless through her construction site. But Luke has other ideas. Midnight skinny-dipping ideas.

If only he wasn't so heart-stompingly, panty-twistingly handsome...

Soon, sparks are flying, and they're both forgetting their kisses are just for show. But can this fake relationship weather a very real tabloid storm? Or will past betrayals and the Hollywood spotlight drive them apart before their romance has even begun?

Find out in the new hot and hilarious romantic comedy from USA Today bestselling author, Lila Monroe!
