His Perfect Wolf...Niall had given up on finding love, he'd watched his brother Zayn fall for his mate, and decided he needed a mother for his son, and a mate for his own. When he finds Alaina, his wolf stood up and took notice. Alaina woke up with no memory, but the one thing they both knew was they wanted each other. As they explore their attraction, danger follows her to Mystic. Niall will have to battle a pack of shifters bent on taking what was his, and kill the man who claims to be his mate's father.
