In matters of the heart, there's no such thing as business as usual.

Thomas Stepford spent years building a very successful business and now at thirty-nine, he wants a quieter life. With his parents needing help, he decides to return home. He can't get away from business completely and needs an assistant—but the man who is hired isn't quite what he had in mind.

Brandon Wilson, the ink on his degree barely dry, needs a job, and his mother helps him get one as Mr. Stepford's assistant. Thomas doesn't seem to remember, but Brandon worked mowing the stunningly attractive older man's lawn years ago. Thomas was Brandon's teenage fantasy, and now he's Brandon's boss.

Thomas and Brandon are both determined to keep their relationship strictly business, but the old attraction is still there. They learn to work together even as the tension between them reaches the boiling point. But just as they start to surrender, Thomas's old life in New York calls him. Even if he resists that pull, can their newfound relationship survive when Brandon receives the call of his dreams... from Hollywood?
