'As gripping as it was sexy!' - *Colleen Hoover*

New York Times and USA Today bestselling author Penelope Douglas returns to her Falling Away series, introducing the next generation in her brand new novella, *Next to Never*.

Under the close watch of the men in her family, Quinn Caruthers has found it nearly impossible to spread her wings - or even date - without her three older brothers, Jared, Madoc and Jaxon, jumping in to hover. And when a family friend - several years older - from her childhood still holds her heart, she knows they're going to be a problem. Lucas Morrow is a man, and knowing her brothers, he may as well be forbidden.

But years ago, Lucas left town and shows no signs of returning. Quinn knows she shouldn't wait for him anymore.

Until a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn her world upside down. She's never asked about the path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start.

As she starts to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting . . . or finally go after what she really wants.
