Anne has worked for her sexy, ex-surfer, businessman boss for seven years, and she's been in love with him for two. Jake doesn't think about her as anything but his ever-efficient assistant, though. She's been trying to get over her feelings by dating other men and interviewing for other jobs—which doesn't make Jake very happy. But Anne is determined not to put her life on hold for him.

When she gets a new job offer, Jake will do anything he can to keep her, but he still only seems to want her as an employee. Anne might find him irresistible, but she's learned to resist. There are lines that he'll just never cross.

But then everything changes in only one night...
