Millions of readers around the world have fallen in love with Bella Andre's New York Times and USA Today bestselling contemporary romances about the Sullivans!

In this sexy contemporary romance novella, can Noah convince Colbie they are meant to be together in ONE PERFECT NIGHT? Guest starring Mia Sullivan and Rafe Sullivan from Bella Andre's Sullivan family series, ONE PERFECT NIGHT is 20,000 words / 100 pages.

One touch...One kiss...

The first time Noah Bryant meets Colbie Michaels, they collide at the top of a snowy mountain in California and sparks fly. Swamped by sudden emotion--and a desire she can't control--Colbie panics. Before he can get her phone number or last name, she's gone. When they end up serendipitously meeting in Seattle one week later, Noah is certain Colbie is his destiny, and he can't make the mistake of losing her again.

One night...One forever love...

Colbie wants to believe in a happily-ever-after, but experience tells her falling for Noah is more likely to lead to a broken heart. Only, how can she resist him as he sets out to prove that they're destined to be together? Especially when he's intent on fulfilling every last one of her secret desires and he's willing to keep proving it to her every day...and every sweet and sinful night.

ONE PERFECT NIGHT is part of Bella Andre's #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books, too.

REVIEWS:

"I am so glad I found this series and if you haven't read Bella Andre yet, you are seriously missing out! Her books will shock you, make you laugh, turn you on with her incredibly seductive heroes, and of course, make you fall in love! An auto-buy author!" Under the Covers Reviews

"We can always rely on Bella Andre to deliver a great love story. Her male characters are alpha males but they are not the rough cavemen types. Ms Andre's heroes are gentlemen, hot passionate possessive want-to-lick-them-all-over alpha-types but gentlemen nonetheless. They ask you to strip but they also say 'please'. Join the Bella Andre bandwagon - you won't regret it." Natasha Is A Book Junkie Reviews

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." Revolving Bookcase Reviews

"Bella Andre writes warm, sexy contemporary romance that always gives me a much needed pick me up. Reading one of her books is truly a pleasure." Maya Banks, NYT Bestselling Author

"The perfect combination of sexy heat and tender heart." Barbara Freethy, #1 NYT Bestselling Author
