## *2nd Edition*

Ten years after a terrible car accident left carpenter Andy Johnson dead, Steven Billings has yet to move on. Though he's put aside his art to run his family's foundation—just like his parents always wanted—Steven has never been able to put Andy and the love they shared behind him.

Except Andy's not dead. And after a long, agonizing recovery—alone—Andy has come to hate Steven, believing Steven abandoned him when things got tough. When a chance encounter at a bar throws them back together again, it's like the dead have come back to life and the past has come back to haunt them both.
