Warning: This story is a mob romance with dark undertones not suited for all readers. It contains very steamy scenes between a controlling Russian Mafia boss and an innocent young woman.:

Aleksandr Evanoff is a dangerous Russian mobster who is used to getting what he wants. So when he lays eyes on Natalia Primac and decides he must have her, he's unsure what to do when the beautiful young woman expresses disinterest. It's not until he strikes a bargain with her that he finally begins to win her over... **Or does he?**

When Natalia Primac encounters her father being threatened by mob boss Alek Evanoff, he makes her an offer: **she must share his bed in exchange for her father's life.** Furious, she realizes she must go along with the arrangement to save her family.

But as she moves in with Alek, Natalia discovers dark desires she never thought existed. **She also learns that being a Russian mobster's plaything comes with consequences...**
