Jacob Nellemann elsker jagt. En mand, en riffel, et dyr. Men en tidlig morgen, med dyret på kornet, er det ham, der bliver dræbt. Axel Nobel er forretningsmand. Milliardær, smuk kone, smukt hjem. Men den gamle kostskolekammerats død på hans jorder kaster skygger. Robin Hansen er politikommissær med hang til krigsspil og hjemlig hygge, så det passer ham dårligt at tage sagen om Nellemann. Der er bare ikke andre. Og jagtulykker er trods alt kendt stof.

Men sagen skal vise sig at handle om alt andet end vådeskud. For under overfladen lurker en anden historie. Om et skibbrud, et vrag, en fortabt kvinde i Nordhavet. Og en der ikke kan tilgive.
