Calvin Lynch and Troy Hoffman have been best mates since they were fourteen years old. They're both hard-working tradesmen, both love weekends away fishing, both gay, but have never been single at the same time. Until now.

What is supposed to be a weekend away fishing with a group of mates, changes at the last minute when friends bail out in an attempt to give Cal and Troy some alone time.

With more than just hooks on the line, can these two see what's been right in front of them the whole time?

The Perfect Catch is a short story about falling for your best friend hook, line, and sinker.
