For fans of *Fifty Shades of Grey* and *Bared to You* comes an erotic, emotionally intense eBook novella from J. Kenner, bestselling author of *Release Me*. Following fan favorites Damien Stark and his wife, Nikki Fairchild, *Play My Game* is the story of their first Valentine's Day as newlyweds, and offers an alluring glimpse of Jackson Steele, the alpha male featured in Kenner's upcoming novel *Say My Name*.

Includes a special preview of *Say My Name*, the highly anticipated first novel in J. Kenner's new trilogy in the Stark series.

I never imagined that anything could top our honeymoon, but life as Mrs. Damien Stark is sweeter than any fantasy. We are forever bound by our love and our desire. His touch is my greatest treasure—and is purely mine alone.

Yet no matter where we go, the ghosts of our pasts follow. We can't escape our secrets, or the people who desperately want to bring us down. Even on Valentine's Day, neither of us is safe.

I'll do whatever it takes to protect Damien, to fulfill his every need. His kiss is my calling, his passion my truest bliss. The dangers we face, we now face together—and nothing can make me run.

***Play My Game* is an erotic romance intended for mature audiences.**
