Covers much more than the basic advice that people get about Texas Hold'em Poker. How many times do we need to hear that A/A is the strongest Starting Hand, etc? This book quickly goes through the basics, and then takes you much further. For example...are you a Fish If yes-how do you fix it Take the Fish quiz in Chapter 2 to find out. Learn how to master difficult skills such as how & when you should Bluff, how to read Tells, how to calculate how much bankroll you need for different betting levels. Chapter 7 will teach you how you can form your own Poker Team, and easily increase your Poker earnings by 4 fold or more (without increasing your personal Bankroll or table hours). Written by a Professional player with more than 35 years of Poker experience, and with a long line of successful players in his Family history. For less than the cost of a five-dollar chip, this book will be an important investment in your future poker success.
