In high school, I was in love with Hunter Ness, but he friend-zoned me. Time passed. I grew up. He went to prison. And now he's going to be my husband for a year.

There are reasons.

He's not going to be a real husband. Just a practice husband so he can have a job and a place to live and I can finally experience parts of life I've only read about before. We're just friends, and I'm helping him out.

But still... He's way too sexy, and he knows me far too well. It's hard to remember he's not the real thing. But I'm going to stay smart. I'm not going to fall for my ex-con husband who only sees me as a friend.

I hope.
