Gavin:

Ellie Montague is smart, sensitive, and so gorgeous it hurts to look at her. She's also an intern in my office. The office of the Prime Minister of Canada.*

That's me. The PM.

She calls me that because when she calls me Sir, I get hard and she gets flustered, and as long as she's my intern, I can't twist my hands in her strawberry-blonde hair and show her what else I'd like her to do with that pretty pink mouth.**

Ellie:

How much I like the PM varies on a daily basis. He's intense, controlling, and a perfectionist in every way—and he demands the same of his staff.

How much I want him never wavers.

There's something about him that tugs at me deep inside, and makes me wish that just once he'd cross the line in a late night work session. I'd take that secret to the grave if it meant I got a taste of the barely restrained beast inside him.***

FOOTNOTES:

* This is a fictional erotic romance. No prime ministers or interns were harmed in the making of this book.

** Except it's a BDSM romance, so they were hurt a little.

*** Spoiler alert: she gets more than a taste. And she likes it.
