Same story...updated cover!

Cookie "Hunter" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go. Little did he know the SEAL team's latest mission to Mexico would change his life forever.

Fiona Storm resigned herself to the fact that it was highly unlikely she would make it out of the jungle alive. Kidnapped by human traffickers, abused, and without family or friends looking for her, Fiona knew wishing for rescue was as realistic as having a big, juicy hamburger fall from the sky. Unbeknownst to Fiona, the SEAL team, including Cookie, were on the way, but their assignment didn't consist of rescuing her.

**Protecting Fiona is the 3rd book in the SEAL of Protection Series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series.
