Keegan

I grew up alone and running in fear for my life. I never stay in one place for too long and I live my life looking over my shoulder. Not really living at all. All I want to do is find one place to stay and put down roots. I want to belong to something bigger, find love, and have the life I always wanted to have.

Rage

I tried love once and the only thing I got out of it was my beautiful daughter Kasey. I never wanted to be with anyone for more than someone to warm my bed. Especially after my friend was taken from us brutally. One meeting with Keegan and that's all it took to make me realize that I was a goner.

Can Keegan's past stay in the past, or will it come looking for her?
